

Webinar on the AAE Code of Professional Conduct

9 October 2018 | 10.00-12.00 CEST

PURPOSE

AAE Full Member Associations must have a Code of Conduct in place that reflects at least the requirements of the AAE's Code of Professional Conduct (*AAE Statutes, Article 5*). A new **AAE Code of Professional Conduct** (CoPC) will come into effect from 1 January 2021.

This webinar will be useful for:

- Anyone who is involved in a Full Member Association's work on reviewing and (if necessary) updating its Code of Conduct to ensure that it reflects at least the requirements of the AAE's CoPC;
- Individual actuaries who would like to improve their understanding of how to abide by the provisions of the AAE's CoPC or similar provisions in their own association's Code.

Questions can be submitted via chat throughout the webinar.
