There are 200 of us based in Warsaw working on exciting projects in the UK business from IFRS17, transforming Actuarial models, Dev-Ops, Cyber Security.

Hi, we're glad you're here! We are hiring to our Aviva Services Expertise Centre! Take a look at our job description - maybe it suits you or some of your friends?

What will you be doing?

- Managing the production of new business results in the IFRS17 project to meet the reporting timescales
- Managing junior staff to meet the needs of stakeholders (anticipate a team of two plus manager)
- Presenting Management Information to stakeholders and developing solutions to more effectively communicate results
- Working with the Existing Business to integrate the NB analysis of change into the full analysis of change Working closely with actuaries in other areas of reporting, accountants and data specialists

What we're looking for?

- A minimum of 4 years working experience in actuarial reporting activities for life business
- Ability to express concisely and transparently technical concepts to senior management and non-expert audience
- Excellent written and verbal English communication skills
- Openness to work in regular reporting environment with a clearly defined yearly schedule
- Boldness to cooperate with various parts of the Aviva Life business, both actuarial and accounting
- Experience of IFRS/SII reporting metrics would be a particular advantage
- Knowledge about UK life products will be considered as an additional advantage

In Aviva ASEC, we provide:

- Contract of employment
- Private medical care
- Cafeteria system of benefits
- Possibility of remote work
- Flexible start-up times
- Additional parent privileges
- Group insurance
- Work in a good location (Metro Dworzec Gdański)
- Wellbeing programs
- Remote medical consultations
- Access to e-learning platforms
- No official dress code
- A work environment that supports diversity
